

Interactive Media Design graduate with a passion for web, print and interaction design along with skills in animation and video editing. Experienced in working in creative teams, interacting with clients and ensuring work is delivered on time and according to brief.

EXPERIENCE

Creative Lynx – *Work Placement, September – October 2010*

Work placement where I gathered research for advertising campaigns, produced web designs for an internal project and designed logos for a variety of clients.

Conker Media – *Work Placement, June 2010*

Two week placement spent working as part of a team to produce and edit online and broadcast content for the Hollyoaks Music Show and the Freshers online drama.

The Looprevil Press – *Designer, October 2009 – March 2010*

Working to create page and article layouts for the Looprevil Press newspaper, as well as designing promotional posters and flyers for events held by Looprevil Press.

Mando Group – *Work Placement, June 2009*

Two week placement working in a team where I was responsible for storyboards, website wireframes and designs for a viral marketing concept for Clatterbridge Cancer Research.
